

Genetics Laboratory (Solution)

Each clue underneath the crossword is actually composed of two different crossword clues run together. When you solve each half (obeying the enumerations given), you get a pair of words. For example, clue number nine is “Sad Communist” (4, 3). This breaks up into “sad” (BLUE) and “Communist” (RED), and BLUE + RED = PURPLE, which fits in the ninth row.

The complete list of answers is:

1. OJ + CHAMPAGNE = MIMOSA
2. DUNK + PASS = ALLEYOOP
3. SUNDAY + SATURDAY = WEEKEND
4. SEVEN + THREE = TEN
5. MILK + BACTERIA = YOGURT
6. PHONE + IPOD = IPHONE
7. SCORPION + LION = MANTICORE
8. MISS + SWING = STRIKE
9. BLUE + RED = PURPLE
