

Ticket to Solve

So, none of the finalist cities worked out. But that's okay; we have over twenty more cities for you to visit! This time you'll have to take the train, but you should already have your tickets in hand. Don't worry; they're transferable. And a word of warning before you set out: while you should be able to pass through the major rail centers without incident, be careful not to lose your belongings at the intermediate stops. After all this traveling you should be able to answer the question: where should the next BAPHL be held?
