*Shall I compare thee to a puzzle hunt?*

**This puzzle involves site-specific interactions. It must be solved at Tech Square.**

The answer to this puzzle is a character from one of Shakespeare's plays. We're going to make you guess which character it is, and what's more, you're going to have to earn your guesses. You can earn guesses by writing poetry for us. Poems must be about Boston, puzzles, BAPHL, or squares. Each poem will earn a number of guesses according to its form:

Haiku: 1 guess

Rhyming couplet: 1 guess

Four lines of blank verse: 1 guess

Limerick: 2 guesses

Clerihew: 2 guesses

Double dactyl: 3 guesses

Sonnet: 4 guesses

Villanelle: 4 guesses

Other forms: at the judge's discretion

Please submit no more than 4 guesses worth of poems at one time, and then submit your guesses in writing, one at a time, after your poems have been accepted. For each guess, we will respond with some (hopefully) useful information.
