- Chess tactic: GAMBIT
- Deep gorge: CHASM
- Parish clergy: RECTOR

These answers can be arranged in order so that the pictured items can be spelled out in the overlaps between words, starting with the MAN in the upper center and ending with the BIT in the bottom center, with one letter not used in each answer:

[MAN]I[LA, BEL]C[HED, GE]O[DE, CADE]N[CED, AR]O[MA, RE]C[TOR, SO]L[AR, CH]A[SM, IRK]S[OME, GA]M[BIT]. The unused letters from the clue answers spell the puzzle answer, **ICONOCLASM**.
