

# MASON-DIXON LINE

JESSE JAMES  
DRAFTED ONTO THE  
SOUTH END CELEBS

After the American Civil War, Jesse James turned his skill towards robberies. You could always count on him (and one to six companions) to cross paths with a stagecoach or train that needed to lighten its load (often unwillingly).

The word search grid consists of a central area of letters with icons in the margins. The icons are arranged in two columns on the left and two columns on the right. The letters in the grid are:

P U Y C K L B  
 R G A E D  
 S E L N W J M  
 C F S O P T  
 W U R G H I L  
 C E S N P R E N F  
 Q H O N A T E F  
 Y V L M U J N A O  
 I D K D Z

The icons in the margins include: a tripod, a surveying instrument, a surveying instrument, a question mark, a five-pointed star, a bison, a checklist, a house with an arrow, a parallelogram, a sun, a house with an arrow, a table with an arrow, a unicorn, birds, a bicycle, a plus sign, an ant, and the equation  $ax^2 + bx - c = 0$ .
