

When in Rome

UNODOS says: The Boston Advanced PHysics Laboratories would like you to know that we are an international corporation, with facilities located across the country and around the globe. In fact, the Boston Advanced PHysics Laboratories would like to invite you to visit our West Coast headquarters in southern California, or our European headquarters in Rome. However, since I am holding you hostage here in Somerville while you complete the evaluation process, you will just have to pretend.

Take the name of the location with a ( : S/W/L=3/2/1, 5/4/5, 2/6/4, 1/7/1) on it.

( : 3/2/2, 4/2/5, 1/11/4, 2/2/4, 5/5/4, 3/6/2) the ( : 3/8/1, 4/6/2, 2/8/5,

5/4/3, 1/2/3) letter of the name of the location with a ( : 2/8/4, 1/2/2, 3/6/2,

1/17/3, 3/5/4, 1/5/6, 2/10/3) on it. Move the ( : 2/4/4, 3/7/7, 1/10/2, 3/2/3,

1/8/1) letter ( : 2/6/2, 1/4/2, 4/4/5) space(s) back in the alphabet. Add the ( :

1/7/1, 3/9/2, 2/4/2, 3/7/3, 1/5/7, 2/7/1) letter of the name of the location with a ( :

1/2/4, 2/6/4, 3/8/3, 2/9/3) on it to the end of the string, and you're done.
