<u>SCIENCE AND MATHS</u>

$$x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$$

Welcome to the Science and Maths Classroom, neophyte ACME Agents! We'd usually be more curious about your appearance, but things are in a bind right now--one of Carmen's creeps has ransacked our labs! While we apply the scientific method to calculate what occurred, you get cracking on your four classes…

When you have three answers, check in to receive your final exam!

MATHEMATICS: _____

COMPUTING: _____

CHEMISTRY: _____

ZOOLOGY: _____

<u>FINAL EXAM: What Was Stolen?</u>

GENETICS AND STATISTICS: _____
