

# House Calls

GRAD

Gregory House is tired of solving obscure symptoms at a teaching hospital and has decided to diagnose clients in their homes. These patients have presented with some very odd symptoms. House knows how to line up treatments with ailments, but, unfortunately, he's dropped all of his notes.

## Ailments:

|  |                                    |
|--|------------------------------------|

| <b>PATIENT NAME</b><br>Dodd  | <b>DATE OF SERVICE</b><br>August 5th |
| <b>SYMPTOMS</b><br>The patient keeps finding gold coins and jewels on their <del>shirt</del> whenever they take off their shirt. |                                      |

|  |  |
|--|--|
| <b>PATIENT NAME</b><br>O'Connor  | <b>DATE OF SERVICE</b><br>5th of April |
| <b>SYMPTOMS</b><br>The patient keeps hearing rock and roll music from their <del>ears</del> , so they're avoiding using belts. |  |

## Prescribed Treatments:

**TREATMENT**

Keep a hold of your bag with the back of a hammer. (4)

**TREATMENT**

Get precipitation from puffy sky features instead. (6)

**TREATMENT**

Put a punctuation mark between them to keep them connected. (5)

**TREATMENT**

Cover it up with white fiber that light can't pass through too easily. (6)

**TREATMENT**

Get a resident from Prague to send messages on your behalf. (5)

**TREATMENT**

Chip cubes off of it until it's smooth, and then use them to play some board games. (4)

**TREATMENT**

Get into a serious mindset by reading more things that are known to be true, as opposed to opinions. (5)

**TREATMENT**

Balance it with the other by slathering some ground up chickpeas between them. (6)

**TREATMENT**

Hire a fiddler to coax it out, even if Rome burns around the two of you. (4)

**TREATMENT**

Distract its opponents with a tartan pattern (5)

**TREATMENT**

Have them talk to a shrink instead. (12)

**TREATMENT**

Use a stone made of lava to round out their corners (6).

**TREATMENT**

Pump up its confidence with Popeye's strength-building greens. (7)

**TREATMENT**

Ask an inky creature to help with your finances. (5)

**TREATMENT**

Look up their value in a student's manual of instruction. (8)

**TREATMENT**

Sing your own melody to replace their gig. (4)
