Each of the sound files refers to a well-known horror movie with a slight difference – one letter of each movie title is changed to form a new title with varying ramifications on the plot. In order, the movies are:

- Children of the **H**orn (Corn)
- The **W**and (Hand) that Rocks the Cradle
- Down (Dawn) of the Dead
- The Fry (Fly)
- Attack of the **M**iller (Killer) Tomatoes
- **V**et (Pet) Sematary
- The Blair Watch (Witch) Project
- 28 Days Laser (Later)

Using the corrected letters gives the answer, **CHALKPIT**.
